

Phone Notes: Bryan, George & HK Telecon 6 Nov 2019

Research Interests:

Southern Tier – Road trip?

Finish Albany

George to review early documents in his possession

Bryan photographs the Knick trail from the Hudson to Salisbury – George wants to visit Red Hook cemetery

1850 families – Needed research will be identified - leads to possible new family genealogy

Write a narrative and calendar of HJ at Albany

Computer stuff:

HK to upload & publish Central NY on knic.com – static web site trial

HK to put up 1850 families on Ancestry as collaboration trial. Define project as we go.

Source Archive:

Hidden repository on knic.com of James & HK source documents

40 early GEDCOMs, Other documents welcome

I was going to create another hidden page and I didn't write it down?

Web Site:

Bryan to review instructions for access.

Attract Other Researchers:

Possible New 2019 Unified genealogy - and solicit inputs from family researchers - GEDCOMs
